FISCAL NOTE

HB 548 - SB 524

February 22, 2011

SUMMARY OF BILL: Requires a for-hire motor carrier providing passenger transportation to submit to an annual physical examination by a Tennessee physician.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Increasing the frequency of mandatory physical examinations from one every two years to one each year may result in increased medical expenses for individuals who are for-hire motor carriers but has no fiscal impact on the State.
- According to the Department of Safety, the new regulations would be communicated to personnel through the annual in-service training at no additional cost to the Department.
